Congregate Meal Program

In its role as the Area Agency on Aging (AAA), West Central Indiana Economic Development District contracts with Mid-Land Meals to provide five meals (i.e. 3 hot meals and 2 frozen meals) at the following community dining sites scattered throughout West Central Indiana. Sites are typically open on the serving days indicated below; except on Federal Holidays, the day after Thanksgiving and on Christmas Eve. Older adults (60+) and people with disabilities are generally eligible to participate in this program if they have a Nutrition Risk Assessment score of six (6) or higher and they have the capability to store a frozen meal and to safely heat it using a microwave or an oven. Some sites also offer crafts, games and other social activities.
